## Manage My Requests

Each request submitted will display varying statuses to determine which stage the request may be in. Statuses that require action from the user are:

- Pending User Submission a submission has been saved, but not submitted
- **Need More Information** a submission requires additional information from the Campus Planning administrators, and you will need to go through the approval process again
- 1. After logging back into the system, click on "My Requests" to review all submitted requests from the main menu. (See Figure 11)
